## How we use your personal data and on the basis of which ground

We process your personal data in the context of the pre-contractual or contractual relationship we establish with you, with the purpose of performing all necessary activities for the implementation of the contractual relationship that may be established, including, for example:

- (i) Implementation of the contracts in force and performance of the Company's administrative, accounting and fiscal activities;
- (ii) Fulfillment of obligations set forth by any Czech Republic or EU laws and regulations as well as any other acts issued by supervisory and control Authorities;
- (iii) Organization and management of the work activities assigned to you for the implementation of the agreement in force;
- (iv) Sue and take legal actions as well as exercise the Company's right of defense;
- (v) Allow the Company to carry out or take part, manage as well as plan corporate transactions, such as merger, acquisitions and restructuring.

Processing of your personal data for the purposes indicated under the previous points (i) and (iii) is a processing necessary to perform the agreements in place with you.

---

Processing of your personal data for the purpose indicated under the previous point (ii) is a processing necessary to allow the Company to comply with the obligations to which it is subject.

Processing of your personal data for the purposes indicated under the previous points (iv) and (v) is based on the Company's legitimate interest, to the extent that this is strictly necessary to pursue this legitimate interest and based on a proper balancing with your fundamental rights and freedoms.

---

## Why the provision of your personal data is required

For managing our relationship, communication of your personal data is required since necessary to comply with obligations resulting from the contracts or the law.

Therefore, the failure in the communication or the partial or inaccurate communication may have, as consequence, the impossibility to carry out the activities required by applicable laws and prevent the Company from complying with its contractual and legal obligations.

---

## Which personal data we use

We process only the personal data strictly necessary to achieve the purposes above indicated. We mainly process:

- (i) biographical and identification data,
  - (ii) contact data,
  - (iii) data relating to criminal convictions and offences,
- in addition to any other personal data provided by you, if any.

Personal data can be provided directly by you or collected by public sources (lists, records, public documents known by anyone), as well as collected by third parties (including, for example, companies of Generali Group, employer, etc.).

## With whom we share your personal data

Our staff processes your personal data with modalities and procedures, also in electronic form, adequate to ensure an adequate level of security.

Your personal data can be shared only with **third parties** which have been assigned with the task to perform some activities concerning your relationship with the Company. Depending on the activity performed, such third parties may act as **Data**

Third parties perform computer, telematics, financial, administrative, filing, printing of the correspondence, management of incoming and outgoing correspondence and financial auditing activities. Third parties may also include other public and private entities, such as the Ministry of Finance of the Czech Republic (Czech Tax Authority) as well as Group companies.

---

Processors, Joint Controllers or autonomous Data Controller.

Our staff and third parties which process your personal data for the purposes above indicated – exception for autonomous Data Controllers – receive proper instructions about the correct modalities of the processing. Your personal data are not disseminated.

---

## Where we transfer your personal data

As a general rule, we do not transfer your personal data in Countries outside the European Economic Area.

In exceptional cases, limitedly for the purposes indicated above, we may transfer your personal data to a third party above described or to a public body requesting it, also in Countries outside the European Economic Area.

In any case, the transfer of Your personal data is performed in compliance with the applicable laws and international agreements in force, as well as on the basis of appropriate and suitable safeguards (such as, for example, transfer to a Country ensuring an adequate level of protection or adopting the standard contractual clauses approved by the EU Commission).
