(the “**Companies of the Caltagirone Group**”) on the other, entered into a shareholders' agreement relating to the totality of Assicurazioni Generali shares held as of that date by the Parties, under which the Parties agreed to consult one another in order better to weigh their respective autonomous interests with respect to more profitable and effective management of Assicurazioni Generali, geared to the technological modernisation of its core business, the strategic positioning of the company, and its growth in an open, transparent and contestable market environment (the “**Shareholders' Agreement**” or simply the “**Agreement**”).

On 17 September 2021, the Fondazione CRT (an entity not subject to control) informed Delfin and the Companies of the Caltagirone Group – who accepted – that it subscribed to the Agreement pursuant to art. 1.3 thereof.

The Parties increased their shareholdings in Assicurazioni Generali and notified to CONSOB and to the issuer the consequential variations in the shares under the Agreement pursuant to articles 128.1.b and 131.5 of the Issuers' Regulation.

As a result of purchases made by the Parties up to 28 January 2022, the overall number of shares under the Agreement has changed.

On 27 January 2022, the Companies of the Caltagirone Group have exercised their right of withdrawal from the Agreement, under art. 5.2 thereof, with immediate effect and for the totality of the shares held and previously under the Agreement.

As a consequence, at the date of these Updated Key Information, the Agreement binds Delfin and Fondazione CRT.

1. Type of Shareholders' Agreement

The contents of the Shareholders' Agreement form an agreement pursuant to art. 122.5.a of the

TUF, that is, an agreement intended to «...*establish obligations to engage in consultation before exercising voting rights*».

Pursuant to art. 130.2 of the Issuers' Regulation, it is specified that the Shareholders' Agreement does not have the following purpose or effect (i) the creation of bodies for the execution of the Agreement, (ii) the provision of penal clauses to which the Party that defaults on the obligations set out therein is subject, (iii) the provision of automatic and/or non-automatic renewal clauses, or (iv) deposit obligations on the shares to which the Agreement refers while the Agreement is in effect.

2. Contents of the Shareholders' Agreement

Under the Shareholders' Agreement, the Parties warrant to consult each other on the matters on the agenda of business to be transacted at the AGM, with special reference to the appointment of the new Board of Directors of Assicurazioni Generali.

The Parties expressly agree that they have and shall maintain for the entire duration of the Shareholders' Agreement full power to freely determine the decisions to be taken prior to and during the General Meeting, so that they therefore cannot be deemed to be bound by any commitments of any kind whatsoever arising from the Shareholders' Agreement with regard to: (i) the exercise of voting rights, or of any other administrative rights, attributed to the shares to which the Agreement refers in connection with the subjects that are discussed and put to the vote at the General Meeting or any other meeting of the shareholders of Assicurazioni Generali; and/or (ii) the exercise of joint control or of notable influence on Assicurazioni Generali, on its subsidiaries or parent companies and on companies subject to joint control; and/or (iii) any indication, directive or other form of influence whatsoever on the management of Assicurazioni Generali or on the decisions of its governing body, without prejudice to the rights due to the Parties as shareholders.

The Parties also agree that they undertake to keep one another informed with regard to any purchases of Assicurazioni Generali shares, independently of the market disclosures required by law, and to take all necessary steps to ensure that no obligation to make a public tender offer on Assicurazioni Generali shares or other obligations of a regulatory nature arise on the Parties, jointly and severally. Should such obligations arise in breach of the Agreement, it is agreed that the Parties shall hold one another harmless and indemnified from any loss suffered as a result of the arising of such obligations.

Lastly, the Parties agree that should third parties wish subsequently to join the Agreement, this shall only be possible with the consent of the Parties and on condition that the entry into the Agreement by such third parties and the respective contribution of the shares held by them does not cause an obligation to promote a public tender offer on the shares of Assicurazioni Generali or to request prior authorisation from the competent Authorities to arise on any Party or on the Parties collectively.

By effect of the Shareholders' Agreement, no party shall acquire de facto or de jure control of Assicurazioni Generali.
